

# Rail Matters

# Australian **L**evel **C**rossing **A**ssessment **M**odel

- Adoption/implementation of ALCAM imminent
- LTNZ has funding for national survey of public level crossings
- ONTRACK will be lead agent with dedicated officer
- ALCAM survey probably start in Auckland

## **Work at Level Crossings**

- TMP's for working at railway level crossings
- Redesigned MoTSAM – include part on working in vicinity of rail

## **Rail Bridges**

- Bridge strikes by over size loads significant issue
- Early advice to National Train Control Centre

# Signs to be seen on rail bridges

(sizes 400x600 & 600x900)

# miscellaneous

- Survey of all private crossings has commenced
- Developments that could impact on rail – ONTRACK needs to know
- vpd over level crossings – ONTRACK wants to know for good reasons - who has not advised?
- Any issues – bring to this group
