

# Stock Crossings

## Working Group

RCA Forum – 7 December 2007

- 
- Last meeting on 31 Oct 2007
  - Representatives from Local Authorities, Transit, Federated Farmers and LTNZ.
  - Reviewed submissions received from Questionnaires (53 authorities replied).

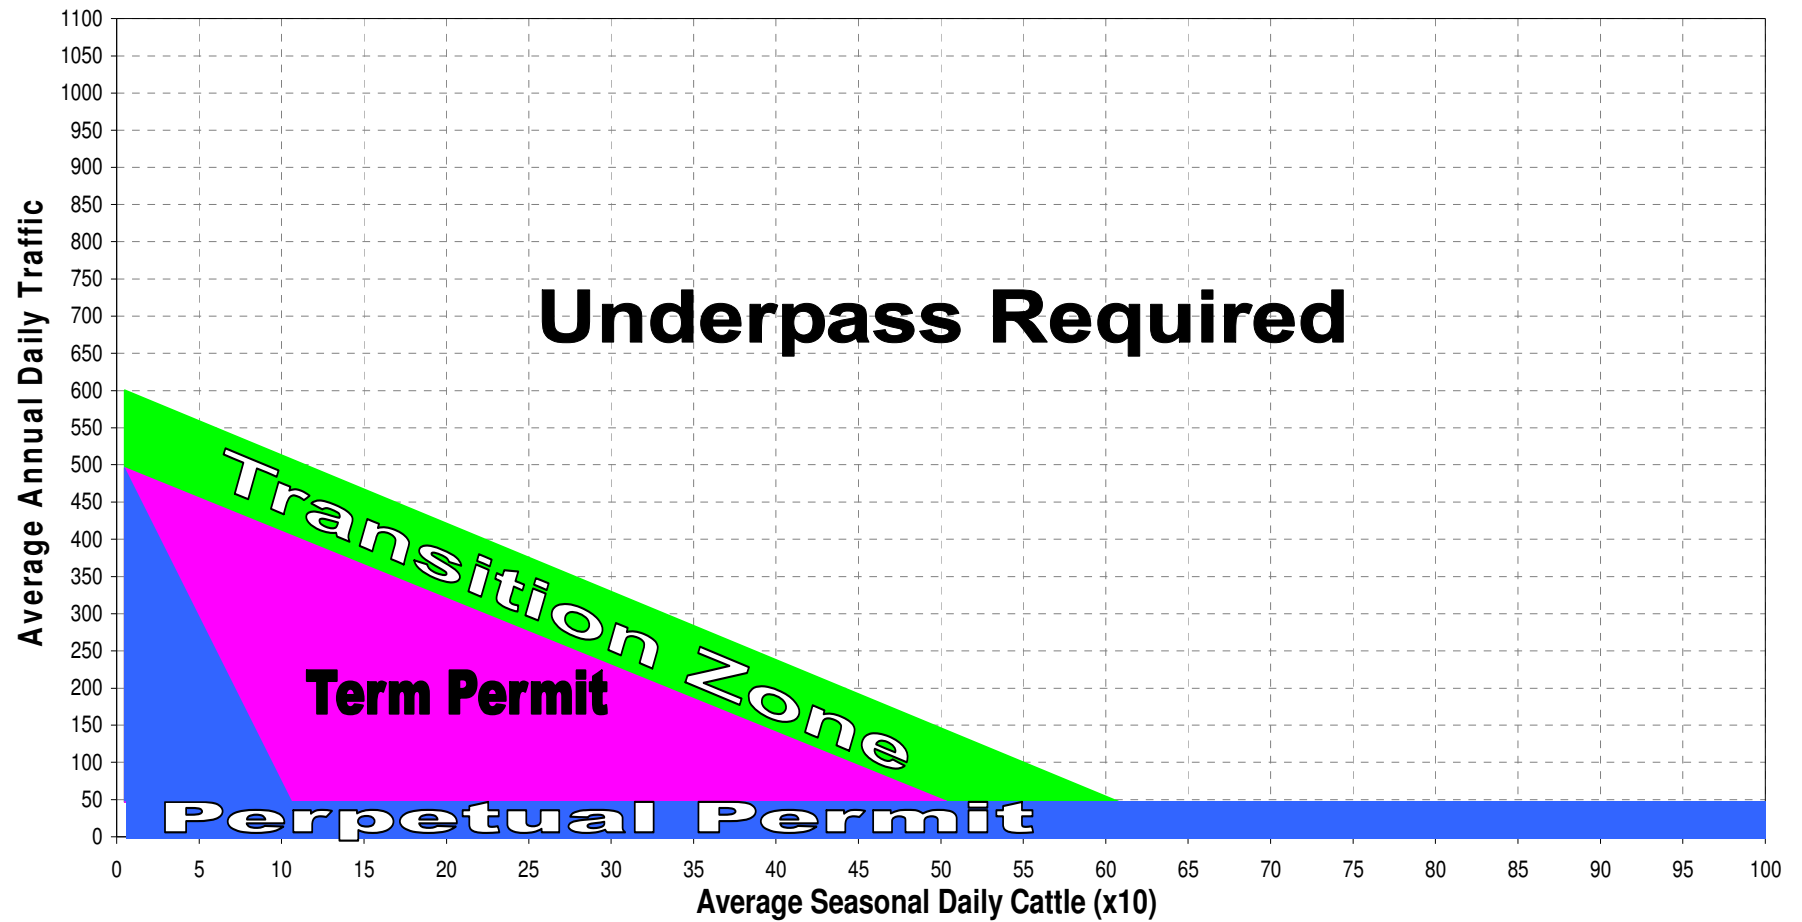

# Issues addressed

- Reviewing the Sample Bylaw
- End treatment for underpasses on low volume road
- Amending the threshold graph for permit/underpass (seek support in principle)

## Requirements for Stock Crossings - PERMIT (for at grade crossing) OR UNDERPASS

# Where to from here

- Complete review of code and appendices
- Have Code approved by Research and Guidelines Group
- Approach Land Transport NZ re funding
- Seek endorsement of Code by Federated Farmers
- Promotion use of Code through website publications ( eg Fed Farmers *Straight Furrow and Ingenium* newsletter).

Need appropriate photos to go with  
revamped Code of Practise (handover to  
Fiona to explain)
