Sharing Information

- Meeting with environmental Managers of Regional Councils not been done
- Follow up on what other Regions/TLA's have done in relation to treatment not TLA's
- The “Tong Graph” to be refined
- Acting as a Steering Group for NIWA Land Transport NZ research programme
- Updating website www.rcaforum.org.nz/stormwater-group/

Sharing Information

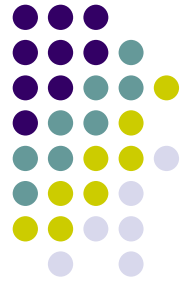

- Establishing a page of frequently asked questions (FAQ's)
- **Collecting case studies**
- Assembling published papers
- **Stormwater resource material**
- Land Transport New Zealand research documents

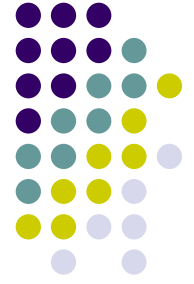

From the Ministries

- National Reference Group has been considering road stormwater run-off
- Concluded that a national regulatory instrument was not appropriate
- A Code of Practice is to be developed within the next 12 months

2008 Roadshows

- Likely to be early March 2008
- Gore?, Christchurch, Wellington, Rotorua, Palmerston North, South Auckland

Remember

- We need your input and experiences (good and bad)
- Web page
